

## the black gate

When the last Foe is revealed, all players must return their Foes showing black symbols and shuffle these into a new Foe deck

There are 8 Foes that show black symbols:

When the last Foe is revealed from the Foe deck, all players return their previously defeated Foes with the above symbols. The returned Foes are then immediately shuffled into a new Foe deck which must be defeated in order to achieve Military Victory. Foes with black symbols displayed in the Foe line are not returned when the last foe is revealed.
